HENRY VII HAT SET

VIDEO CLASS KIT

PROSPECTUS

Alice Starmore's Henry VIII Hat Set Video Class

The Henry VIII Hat Set is an intermediate project, which is designed to follow on from the beginner level Briodag Hat Set.

The Henry VIII class assumes you already have the required stranded beret and glove skills, and moves on from these techniques with a focused video class looking solely at the complex cuff of the glove. Written instructions are provided for all parts of the hat and gloves.

The Henry VIII Hat Set kit includes –

- online access to 58 mins of detailed video tutorials showing how to make the glove cuff.*
- a colour-printed patterncard with full instructions for the beret and gloves.*
- all the Alice Starmore*

Hebridean 2 Ply yarn required to make the Henry VIII Hat Set. The instructions for the gloves are provided in two sizes. Enough yarn is provided in the kit to make the largest size of gloves.

The Henry VIII Hat Set Video Class Kit is composed of a beret, and one pair of fingerless gloves, worked in 12 shades of Alice Starmore Hebridean 2 Ply.

Needles are not included in this kit. You will require –

Beret: 1 Set of double-pointed or 40cm-long circular 2.75mm & 3.5mm needles. Note that if using a circular 3.5mm needle you will require a set of double-pointed needles of the same size to complete the beret crown.

*Gloves: 1 Pair of 2.75mm needles.
1 Set of double-pointed 2.5mm sock needles.*
